

Provisional program Brain'05 & BrainPET'05 , June 7-11, 2005, Vrije Universiteit, Amsterdam, the Netherlands															
Time		Tuesday June 7		Wednesday June 8			Thursday June 9			Friday June 10		Saturday June 11			
8:00	8:30	Start registration & Coffee & tea		Poster fixing 1 st group & Coffee & tea			Poster viewing & Coffee & tea			Poster fixing 2 nd group & Coffee & tea		Poster viewing & Coffee and tea			
8:30	9:00														
9:00	9:30	Course Ia Imaging of brain activity (fMRI part) AUDITORIUM	Course II In vivo modeling of stroke AGORA 1	Plenary symposium 1 Physiological basis of functional imaging AULA			Symp. 1 Pleiotropic actions of tissue plasminogen ... AULA	Symp. 2 In vivo cell tracking and gene expression AUDITORIUM	BrainPET Platform 3 KC-07	Plenary symposium 2 The ischemic penumbra AULA		Symp. 5 Heterogeneity in cerebral metabolism ... AULA	Symp. 6 Plasticity and recovery after stroke AUDITORIUM	Symp. 7 Imaging neurotransmission with PET KC-07	
9:30	10:00														
10:00	10:30														
10:30	11:00	Coffee & tea		Coffee & tea			Coffee & tea			Coffee, tea, poster fixing 2 nd group		Coffee & tea			
11:00	11:30	Course Ia Imaging of brain activity (fMRI part continued) AUDITORIUM	Course II In vivo modeling of stroke (continued) AGORA 1	Platform 1 Experimental ischemia: therapy AULA	Platform 2 Brain metabolism AUDITORIUM	BrainPET Platform 1 KC-07	Platform 5 CBF regulation AULA	Platform 6 Regeneration and plasticity AUDITORIUM	BrainPET Platform 4 KC-07	Presidential lecture & Niels Lassen Finals AULA		Platform 7 White matter, brain edema, blood brain barrier AULA	Platform 8 Endogenous neuroprotection AUDITORIUM	Platform 9 Neuro imaging I KC-07	
11:30	12:00														
12:00	12:30														
12:30	13:00	Lunch 12:30-15:30 Board of directors meeting		Lunch & Attended poster sessions 12:30-14:00 Editorial board meeting			Lunch & Attended poster sessions			Lunch & Attended poster sessions		Lunch & Attended poster sessions 12:30-14:30 Board of directors meeting			
13:00	13:30														
13:30	14:00	Course Ia Imaging of brain activity (fMRI part continued) AUDITORIUM	Course II In vivo modeling of stroke (continued) AGORA 1												
14:00	14:30														
14:30	15:00														
15:00	15:30	Coffee, tea, poster fixing 1 st group		Platform 3 Neuro-inflammation AULA	Platform 4 Clinical stroke and thrombolysis AUDITORIUM	BrainPET Platform 2 KC-07	Symp. 3 Cell and gene therapy AULA	Symp. 4 Cerebrovascular dysfunction in dementia AUDITORIUM	BrainPET Platform 5 KC-07	Excursions		Platform 10 Mechanisms of cell death AULA	Platform 11 Gene expression and cell therapy AUDITORIUM	Platform 12 Neuro imaging II KC-07	
15:30	16:00	Opening & Lifetime achievement award AULA													
16:00	16:30														
16:30	17:00	Welcome drinks at the Vrije Universiteit & poster fixing FOYER VU		Coffee & tea			Coffee, tea, poster dismantling 1 st group					Poster dismantling 2 nd group			
17:00	17:30			Course Ib Imaging of brain activity (Optical Imaging part) AUDITORIUM	Course III Impact of anesthesia on CNS research KC-07	Course Ic Imaging of brain activity (PET part) AUDITORIUM	Course IV Stem cells AGORA 1								
17:30	18:00														
18:00	18:30														
18:30	19:00						Coffee, tea, poster dismantling 1st group								
19:00	19:30														
19:30	20:00			Municipal reception WEST INDIES HOUSE											
20:00	20:30														
20:30	21:00														
21:00	21:30														
21:30	22:00														
22:00	22:30														
22:30	23:00														
23:00	23:30														
23:30	0:00
